2. I feel that the Officers of our Overseas Security Support Division would benefit especially from the portion of the course devoted to "Countering Vehicular Kidnaping". I understand that this phase of the training course is such that it can be completed in one day and all personnel would go down on the morning courier flight and return the same day in the late afternoon.

3. I would appreciate it if a special running of the modified course as outlined above could be held for approximately ten of our people and three Department of State Security Officers. I have included the three State Security Officers since they are working closely with my Office on terrorist activity in the Western Hemisphere area. The three gentlemen from State Security are as follows:

Mr. Kenneth W. Knauf
Assistant Director for Domestic
and Foreign Security Operations

Mr. Henry W. Kemp
Chief, Division of Foreign Operations

Mr. James F. McKialay
American Republics Area Operations
Officer,
Division of Foreign Operations
